Answer these questions on the shapes of the Cobra Picture.

1. How many rectangles do you see?

2. How many ovals do you see?

3. How many triangles do you see?

4. How many trapezoids do you see?

5. How many crescents do you see?

Check the box after you colour your Cobra with the following colours:

Colour the ovals green.

Colour the triangles yellow.

Colour the crescents brown.

Colour the big trapezoid orange

Colour the small trapezoid red.

Colour the rectangles brown.
