March 15th, 2007

Dear Skaters and Parents,

It's that time again! Spring is in the air and so is our spring session registration. Registration is on Monday March 26th, 2007 at Century Gardens Auditorium from 6:30 –9pm. It is, as always, a first come ~ first serve for sessions and there will be caps on the sessions.

Please note that there are many changes to accommodate growth and the amalgamation. This will hopefully help us to create a balanced fall/winter schedule. Instead of creating new qualifications we have canvassed the coaches and have hopefully come up with a schedule that will create a positive and productive environment for all skaters. Please help us and be patient as we blend the two clubs into one fantastic club and go through our transition stage.

All skaters ***MUST*** register where they qualify for on registration date. If a skater intends to try a test that will change their qualifications before April 27th, please indicate that on the registration form. If the skater is successful please make sure that the coach notifies the membership chair in writing/e-mail by Friday April 27th. If there is room the membership chair will notify the coach/skater of the changes. Parents/skaters please make sure that you have discussed your schedule with your coach prior to registration. If there is a conflict or your session has reached its maximum please have an alternative choice ready.

Junior ~ skaters please note that each skater will have a choice. There are 2 Y and 2 Z sessions on Junior. Each skater must select 1 of each.

Senior B and Senior A ~ skaters please note that there are 3 Senior B, 3 Senior A and 3 Senior A/B sessions. Each skater qualified for Senior B must select 3 sessions from the Senior B or Senior A/B session choices. Each skater qualified for Senior A must select 3 sessions from the Senior A or Senior A/B session choices.

***** Parents/skaters please communicate with your coaches prior to registration your choices and have an alternative choice in case you need it.**

We thank you in advance for your cooperation and look forward to an exciting journey, as we all become Skate Canada Brampton-Chinguacousy.

Sincerely,

Sheri Gilmour
